STORYTELLING | 2 Kings 6:8-23

Wade Paton

## S U M M A R Y

This weekend we began our 2026 Practices Month with the exploration of storytelling as a personal and communal practice – confession, speaking truth, being good listeners, and seeing rightly.

## R E A D

2 Kings 6:8-23 | Revelation 12:11

*Pause. Take time to prayerfully consider what has been read,*

## D I S C U S S

Reflect on the story of Elisha and the servant and what it meant for them to see their situation with spiritual eyes.

- 1) What is the difference between our natural way of seeing and God's way of seeing things?
- 2) What's an experience you have had where a shift in perspective changed the way you moved forward?

Reflect on Revelation 12:11

- 3) How does storytelling (the word of our testimony) push back darkness?
- 4) What has been a time that things have changed in your life because the truth has finally come out about something?
- 5) What resistance or objections do you have to telling your story? Why?

## R E S P O N D

Reflect on the question asked on Sunday and share with a friend or in a group.

*"What story in my life do I need Jesus to give me His vision for?"*

- Ask Jesus, to open your eyes so you can see with spiritual sight.
- Take a look at your story again.
- What new word or insight do you think Jesus wants you to pay attention to?

Take some time to pause and pray and ask Jesus which story he would like you to offer to this community. Then, share your insights, questions, visions, or convictions with us on the [blog](#) through written reflection, questions, or creative expression.

We want to know what you are hearing so that we can get a fuller picture of what Jesus is saying to our community.

## P R A Y

Pray that we would grow in courage as storytellers.

Pray blessing and mercy over the stories that have been shared.

Pray that our community would experience transformation and hope because of the stories that Jesus leads us to share.

FULLNESS OF LIFE FOR EVERYONE, BY PRACTICING THE WAY OF JESUS TOGETHER
