Invitation to Adventure

Hello Adventure Families!

Our AdventureKids team is excited and ready for another year of Bible exploration, discovery, learning, and fun! This Fall we will be learning more about our SPAC Vision: “Fullness of life for everyone, by practicing the way of Jesus together,” by looking at the invitations that Jesus gives us: invitations to Follow, to Life, to Practice, and to Community!

Following our vision series in September, we are launching into a new curriculum for the year: Meeting Jesus! Throughout the Fall months we will learn some of the stories that Jesus told, and the miracles that he did! It will be an exciting time to learn more deeply about who Jesus was, and how we can follow him today.

It’s going to be a grand adventure, and we hope that your family will join us for the journey!

Giving Update

Our AdventureKids offering (preschool – grade 6) is resumed now that we are back into a more regular rhythm. Every week, your children will learn what it is to live generously, to give, and to worship God through openhandedness. Students in grades 1-6 have their own version of the Giving Liturgy that adults read weekly in service, and we read it prayerfully together in our services, too!

From September- December, the AdventureKids Offering that is collected will go towards the Giving Tree. Whatever we collect together will go towards toys, gift cards, and other necessary items to bless community members with!

SERVE WITH ADVENTUREKIDS

Our AdventureKids ministries cannot run without enthusiastic, committed volunteers! We have amazing people using their time and talents to bless the next generation... And we need more! If you have ever thought about serving in AdKids, now is a great time to prayerfully consider stepping into that call. Visit spaconline.com/kids for more info and to download your application.
