THE CROSS AS HEALING | Hebrews 10:19-25

Matt Kinniburgh

## S U M M A R Y

This past weekend we explored what happened on the cross through the lens of salvation as the healing of the disease of sin. When evil entered into the world it brought with it sickness, death, and brokenness. We see that the message of the cross is that Jesus used the foolishness of healing coming through the death of the author of life.

## R E A D

1 Peter 1:22-25. Isaiah 53:3-5.

*Pause. Take time to prayerfully consider what has been read.*

## D I S C U S S

- 1) What is sticking out to you from these passages?
- 2) How does the idea of sin being a disease that needs to be healed change your perspective on it?
- 3) What things do we see Jesus' sacrifice on the cross healing in the Isaiah passage?
- 4) Have you seen God's healing in anyway? For example physical, emotional, spiritual, relational, etc.

## R E S P O N D

READ: Mark 2:1-5

Where in your life do you need healing, can you bring that to the group and ask them to bring you to Jesus?

Jesus where am I resisting your healing in my life?

*Share how the Spirit is inviting you to respond today and the week to come – to **be with** Jesus, to **become like** Jesus, or to **do what** Jesus does.*

## P R A Y

*Take time to wait and pray together. What is Jesus praying for? Come into agreement with His prayers.*

Ask Jesus: "Where are you inviting us to join you in your work of healing the world?"

FULLNESS OF LIFE FOR EVERYONE, BY PRACTICING THE WAY OF JESUS TOGETHER
